Revised 3/27/13
Recycling Brochure
DKStevens

Place Recyclables curbside by 7 a.m. on your trash collection day

ALL Recyclables may be combined in one container.

Newspaper/Junk Mail/Good Paper

Newspapers, catalogs, magazines and shiny inserts, ads and phonebooks, good office & copy paper, junk mail, school paper, wrapping paper, non-metallic cards, envelopes, cereal, shoe boxes, cake mix boxes. Also, books less than 1-inch thick- no hard covers.

Can be placed in a paper bag or reusable container but must be kept dry. Do not place in plastic bags.

Paper Milk and Juice Cartons

Paper milk and juice cartons; drink boxes and soy milk containers. Rinse cartons, drain and flatten, if possible. Discard lids from cartons and straws from drink boxes. Put in with Plastic, Cans & Glass.

PLASTIC & METAL CANS & GLASS

Place in a reusable container, that is not and does not resemble a trashcan, and that can be easily dumped:

- 1. Plastic** containers numbered 1 - 7 Rinse clean and remove caps, labels may stay on.
Not accepted: motor oil containers, toys, furniture, styrofoam, plastic bags

Metal food and beverage cans. Cans must be rinsed thoroughly and flattened whenever possible. No paint cans.

Aerosol cans, Empty aerosol cans through normal use. Remove caps, do not remove nozzles.

- 2. Glass**
Clean clear, brown and green glass jars and bottles Rinse clean, remove rings and caps.
No light bulbs, china, ceramics, plate or auto glass, Pyrex, crystal or mirrors.

Cardboard (Corrugated Only) picked up every week

Flatten boxes and cartons. Remove staples and as much tape as possible. Keep dry. Put with paper.

Not Recyclable: Dirty pizza, detergent, gift, and wet boxes – please discard in regular garbage.

Household Chemicals - Please call the Cortland County Solid Waste Dept. at 756-8077 for how to dispose of these. Do not place any household chemicals in your garbage. Thank you

Syracuse Haulers is our trash/recycling hauler - if you have any questions or complaints please call the Village Clerk's Office at 749-3322 IMPORTANT: Imported trash and recycling – is subject to prosecution. Please call if you see anything unusual.

Trash Notes:

Wednesday: All residences on James St. and south of James. Also Rt. 281 and west of Rt. 281 plus Phelps Dr.

Thursday: All residences North of James St. and all of Main, North Main and South Main Streets.

Regular trash, in a clear plastic bag and recycling, in a reusable container, must be placed curbside by 7 a.m. on your collection day. No trash bag or container shall exceed 25 lbs., or exceed 10 bags per household or 6 bags per apartment unit. Winter: Avoid white containers. Place trash and recycling in a cleared area near the street or curb.

Trash may be put out the night before collection. Trash receptacles must be removed from curbside following collection. (Sect 131-4 of the Village Code of Ordinances)

Regular trash is what is normally generated in a week's time.

Improperly prepared recyclables and trash will, unfortunately, be tagged and left at the curb.

Holiday schedule: Pick up is subject to change, residents should consult the Cortland Standard for pickup schedule or call the office.

To prevent trash bags from being torn apart by crows, contents tagged & left at the curb by trash collectors, we recommend you place trash bags in a covered container.

Compost Site

**Open Every Day 10 am – 5 pm
April 1 thru Nov. 30**

The Village's compost site is located next to the Village Garage on North Fulton Street.

Materials accepted are garden debris, grass clippings, leaves and branches.

*We do **not** accept trees, only branches.*

If you bring debris in plastic bags, please be sure to take the bags home with you.

Residents who remove or have trees removed from their properties must make arrangements for the trees to be taken to an acceptable site.

Residents are permitted to bring branches from storm damage or tree trimming.

The compost site is **only** for Village residents to drop off grass, leaves, etc. If you observe non-residents, commercial landscapers or trash haulers using the site, please note the license plate number or any identifying information and report them to the Police Dept. at 749-2022.

Signs are posted at the site to direct you where to put your composting materials. Please note especially the direction branches need to be placed in the pile. **Anyone** is free to take chips or compost at any time.
