VILLAGE OF HOMER
PUBLIC HEARING
June 25, 2024

PUBLIC HEARING #1:

The hearing is held for the purpose of hearing public comments on the Village's community development needs, and to discuss the possible submission of one or more Community Development Block Grant (CDBG) applications for the 2024 funding year. The CDBG program is administered by the New York State Office of Community Renewal (OCR) and will make funds available to eligible local governments for housing; economic development; including microenterprise assistance for businesses with five or fewer individuals including the owner(s); public facilities; public infrastructure; and planning activities, with the principal purpose of benefiting low/moderate income persons. The Village of Homer is applying for \$2,000,000 in CDBG funds to improve public water infrastructure in the Village. The hearing will provide further information about the CDBG program and will allow for citizen participation in the development of any proposed grant applications and/or to provide technical assistance to develop alternate proposals. Comments on the CDBG program or proposed project(s) will be received at this time. The hearing is being conducted pursuant to Section 570.486, Subpart I of 24 CFR and

**in compliance with the requirements of the Housing and
Community Development Act of 1974, as amended.**

On **Motion** by Trustee Finkbeiner, to accept the Public Hearing #1 on the Community Development Block Grant (CDGB) , Seconded by Trustee Slack– **all ayes.**

Privilege of the Floor: Trustee Clune introduced the new Village Treasurer Samantha Smith.

Old Business: Grant updates

Jacqueline has an update on the design for the water tank. There must be a decision on the style of the tank. There are two choices and different costs. Keith has told Jacqueline to go with the cement tank to keep consistent with the other tank. She will need an answer by the next meeting. If the board would like to meet any of the representatives Jacqueline can set up a meeting.

Walkable Homer sidewalks update on cost and the progress for this year.

At this point there was a break in the video.

Dam removal project is moving forward. The DEC will have to be contacted to get answers about a section.

Linear Park project needs to be reinstated with the help of THOMA to get the project moving forward. An issue has been brought up at the State level.

The Salt Shed: DPW has completed the site work is completed and CCC has the material on site and are looking for a start date of July 8th and completion should be in November.

New Business:

LED local law timeline. The Homer Central School District LED sign agreement expires at the end of September 2024. Fran has looked in the Code Book to see if the Village has a standing law. A draft of a local law is with the Village Board. Fran will check with County Planning for conflicts. If the Board has any questions, they need to go through Dan and will be discussed at the July 9th meeting.

Possible sale of Village property on Durwood Dr. (tax 66.50-03-25.200) is moved to Executive.

On **Motion** by Trustee Finkbeiner, approve letter of map revision (LOMAR) for Dam Project and not to exceed \$8,000.00, Seconded by Trustee Clune – **all ayes**.

On **Motion** by Trustee McGrath, approve refund for summer (7–8-year-old group) basketball registration, Seconded by Trustee Finkbeiner – **all ayes**.

On **Motion** by Trustee Slack, approve the following resolution for 2024, Seconded by Trustee McGrath – **all ayes**.

Approval of the 2024 Amendment to the Municipal Cooperative Agreement for the Greater Tompkins County Municipal Health Insurance Consortium

WHEREAS, the Village of Homer (municipality) is a Participant in the Greater Tompkins County Municipal Health Insurance Consortium (the "Consortium"), a municipal cooperative organized under Article 47 of the New York Insurance Law, and

WHEREAS, the municipal participants in the Consortium, including this body, have approved and executed a certain Municipal Cooperation Agreement (the "Agreement"; effective date of October 1, 2010), and

WHEREAS, Article 47 of the New York Insurance Law (the "Insurance Law") and the rules and regulations of the New York State Department of Financial Services set forth certain requirements for governance of municipal cooperatives that offer self-insured municipal cooperative health insurance plans, and

WHEREAS, the Agreement sets forth in Section Q2 that continuation of the Consortium under the terms and conditions of the Agreement, or any amendments or restatements thereto, shall be subject to Board review and upon acceptance of any new Participant hereafter, and

WHEREAS, the Municipal Cooperative Agreement requires that amendments to the agreement be presented to each participant for review and adopted by a majority vote by its municipal board, and

WHEREAS, the (municipality) is in receipt of the proposed amended Agreement and has determined that it is in the best interest of its constituents who are served by the Consortium to amend the Agreement as set forth in the Amended Municipal Cooperative Agreement, now therefore be it

RESOLVED, that upon receipt and review of the amended Agreement, the (municipality) approves at a meeting of the governing body held on 6/25/2024 and authorizes the Chief Elected Official to sign the 2024 Amendment to the Municipal Cooperative Agreement (Effective 1.1.24) of the Greater Tompkins County Municipal Health Insurance Consortium as recommended by the Board of Directors.

On Motion by Trustee Finkbeiner, approve Suit Kote bid for the paving of roads covered under CHIPS as presented, Seconded by Trustee Slack – **all ayes.**

On Motion by Trustee Finkbeiner, approve the Village Offices to purchase Adobe to help with paperwork, Seconded by Trustee McGrath – **all ayes.**

Jay announced that the Homer Fire Department has received the Regional Emergency Medical Services Council award for Central New York for the work completed through out the year.

Attorney: no comment at this time.

Comments by Board Members:

Trustee Finkbeiner is close to turning in the Grant proposal for the River Trail and is working on the Dog Park. The murals are coming along also.

Trustee McGrath thanks Ed for getting the River Grant and Dog Park moving forward.

Trustee Slack will be on the radio this week to discuss the Beatification Committee need for volunteers.

Honorable mayor and village trustees

In the month of June, we ran 44 calls. Attached is the chief's report breaking down each incident as well as response times and locations of incidents. This month the department held Firefighter Field Days. This event was back in full swing from years past after a four year wait by the community. The event was met with open arms and the community support was greatly appreciated. The department responded to two structure fires. Both fires were extinguished quickly, showing the dedication and proper training that is implemented throughout the fire department. We had taken in two new members who will start their basic training this August through the Cortland County Training Center. All hose, pump, ladder and aerial testing has been completed for the year with all pieces of equipment passing. Lastly the department was honored with the CNY EMS Agency of the Year. Four members will be attending a ceremony in September to receive this award in Syracuse.

June 2024 Monthly report

Date: June 26, 2024

For the time period: 05/26/2024 – 06/26/2024

Mayor and members of the board,

Patrol Monthly Activities:

Please refer to the attached detailed reports for last month. There were a total of 576 calls for service during the month of June. Officers made 2 misdemeanors arrests, 1 unclassified misdemeanor arrest for aggravated unlicensed operation of a motor vehicle in the 3rd degree, 1 unclassified misdemeanor arrest for operating a motor vehicle while registration is suspended or revoked and 1 driving while ability impaired by drugs arrest. Officers conducted 76 vehicle and traffic stops and issued 28 traffic tickets. They also responded to 9 motor vehicle collisions, 2 of which involved personal injury.

Notable investigations or incidents during the month of June: a burglary involving forced entry at a local business; multiples acts of criminal mischief to motor vehicles parked in the parking lot of an apartment complex; the larceny of a resident's pet and a fraud / larceny complaint where the victim's debit card was cloned and used out of state.

School Officers Reports:

Please refer to the attached detailed school resource officer's report for the month of June 2024. There were a total of 473 incidents that the resource officers were involved in during the month of June.

Recent updates:

Security cameras updates: there are no issues with the cameras.

Patrol vehicle updates: Patrol vehicle 125 was taken to Dovi Motors for the rear axle bolt, which was on recall. Patrol vehicle 225 has the same recall and the air conditioning unit in it is not working but the needed parts are on backorder. The 2024 Ram pickup truck to replace patrol vehicle 126, was in-service for the Memorial Day Parade and is now being used for patrol. Appointments have been made with Priority Fire to install the new dash-cameras in the remaining patrol vehicles.

Grant updates: Click-it or Ticket statewide seatbelt campaigns started on May 20, 2024, and ended on June 2, 2024. "Speed Week 1" was from June 3, 2024, until June 9, 2024. Grant funding from the 2024 New York State traffic safety grant was utilized during both these campaigns. A claim of payment for reimbursement and a progress report regarding the "Clicket or Ticket" campaign were submitted to the state.

As of this date, I have not received any notifications for the body warn camera grant through the Small, Rural, and Tribal Body-Worn Camera Grant Program through the Bureau of Justice Assistance of the Office of Justice Programs, U.S. Department of Justice and Justice & Security Strategies that I applied for.

Regarding the New York State Division of Criminal Justice Services (DCJS) Law Enforcement Technologies (LETECH) and Applicable Software /Equipment Grant, which we were awarded \$281,500.00, I received a formal award letter (email) and grant documentation from DCJS Office of Program Development on May 31, 2024. The letter indicated that we will not receive a DCJS grant contract for this funding, but I had to sign and return an online attestation form, so the funds would be forwarded to us in one payment by the DCJS Office of Budget and Finance. I submitted the form the same date it was received. I had additional communication where I confirm that the attestation form was received and was advised that the funds would be deposited in the SFS account listed on our application. I have obtained quotes from vendors for portable radios, laptop computers and printers for the patrol vehicles, license plate readers, surveillance cameras (street cameras), additional body worn cameras and drones.

On June 7, 2024, the COPS Hiring Program grant was submitted to the US Department of Justice. As indicated in last month's report, TenKate Grant Services was instrumental in applying for this grant and I obtained letters of support from Congressman Molinaro, Congressman Williams, Senator Gillibrand and Senator Schumer.

Regarding the new body worn cameras and dash-cameras, although we had a tentative date of June 25, 2024, for officers to begin wearing the body worn cameras, we were not able to because of technical and training issues, which we are working on to resolve. Motorola will be providing us with in person training on the use of the body worn cameras and dash cameras on July 24, 2024, and July 25, 2024, but there is a possibility that these dates may change to an earlier date in July.

Miscellaneous and Events:

The annual Homer American Legion Burns-McCauliffe Post 465 Memorial Day Parade was on May 27, 2024. We participated in the parade as well as provided traffic control during it with members of the fire department. There were no issues.

On June 4, 2024, we participated in the annual Cortland County Dairy Parade in the City of Cortland. The parade started on North Main St and Grant St and ended at the Cortland County Fairgrounds. I truly appreciated the invitation to participate in this parade.

On June 8, 2024, we hosted the Special Olympics Law Enforcement Torch Run again this year. Officers from this agency, Cortland County Sheriff's, the New York State Police, the Cortland City Police and New York State Court Officers participated in the run. Members of the Homer Fire Department's fire police provided traffic control and there were no issues to report. We started at the fire department and ended at Durkee Park.

On June 9, 2024, we continued the ballistic shield training and active shooter training in the hallways and stairwell in the south wing of the high school. Unfortunately, not all the officers were not able to attend this training and we will be having a makeup session sometime prior to the start of school. The officer now have access to the shields in the event of an emergency.

On June 14, 2024, Officer Brewster and Cortland County Police Officer Aylesworth were presented with the department's Gallantry Star Award and Cortland County Sheriff's Sgt L'Hommedieu was prented the department's Life Saving Award for their actions on August 6, 2023, where a subject refused to comply during a traffic stop and struck an occupied residence, severing the gas meter. Officer Brewster and Officer Aylesworth were able to take the subject into custody and remove him from the area, preventing any serious physical injuries. Sgt Brendan L'Hommedieu, who was off duty, responded to assist, entered the residence, located the homeowner and escorted her to safety. Homer Firefighter Phil Hess was named Homer Fire Department's Firefighter of the Year for his actions during the same incident by turning off the gas, preventing an explosion.

Additionally, Officer Brewster and Officer Scanlon were presented with the department's Honorable Service Award for an incident investigation that occurred on December 6, 2023, involving a suspicious person / fraud complaint. Their investigation led to the suspect being arrested for multiple felonies and misdemeanors. In addition, their investigation also resulted in arrests by the City of Cortland Police Department and the suspect being identified as a person of interest in fraud investigations in two separate states
Sgt Soderholm received the Chief's Achievement Award for his self-motivation and willingness to learn records management, bringing the police department's FBI Incident Based Reports up to date, scheduling and day-to-day supervision and covering shifts as needed.

The New York Special Olympic Summer Games were at Ithaca College on June 15, 2024, and June 16, 2024, with opening ceremonies on June 14, 2024. I represented the police department during the opening ceremony event, which was an honor to witness the athletes excitement of the games.

The Homer Firemen's Field Days were on June 20, 2024, June 21, 2024, and June 22, 2024, with the parade the last day. We provided security during all three days as well as assisted with traffic control during the parade with no incidents.

Magic on Main planning meetings have been occurring every two weeks. I have made an effort to attend the meetings so that I could address any issues or concerns as it relates to safety and security. Magic on Main is slated for August 16, 2024.

In conclusion, the Homer High School class of 2024's commencement is on June 29, 2024, at Butts Field at the high school, weather permitting. School resource officers and I will be present for security and safety reasons.

Respectfully submitted,
Robert H. Pitman

HCHS School Resource Officer's Report:5/25/2024-6/26/2024

The School Resource Officer (SRO) program is a valuable partnership between The Village of Homer Police Department and Homer Central School District. The SROs are based out of the school district buildings and maintain an office within their respected assigned school. This facilitates and allows the SRO's to be immediately accessible to students, faculty, administration and parents. The SRO's primary goals are to assist in maintaining the highest level of safety within our schools through prevention, and intervention as well as to reduce juvenile crime and incidents through education and counseling.

The SRO's investigate incidents which occur on the properties of schools within the Village of Homer (Elementary, Intermediate, Jr. High and High School). The SRO's facilitate assistance for all through the use of police department, school and community resources. The SRO's also conduct investigations, assist in certain student/parent meetings, phone consults, partner agency meetings, referrals, informal counseling, providing assistance to school officials, and assistance to other police officers and agencies in regard to students or school issues and property.

June 2024 Monthly Water and Sewer report

Water:

- Flushed all fire hydrants on the North end of the village the week of the 10th-14th.
- Flushed all fire hydrants on the south end of the village the week of the 17th-21st.
- Did the monthly report for the health department.
- Did the monthly samples for the health department.
- We got 2 tons of blacktop to assist the street department with patching potholes throughout the village. Trying to give them a hand as they are trying to get sidewalks done.
- Helped street department with sidewalks a few different times this month.
- Helped Street department with base for the curblines they put in on James and North Fulton.
- Helped street department put in new approaches for the driveways where we put new sidewalks in.
- Marked out UFPO's throughout the village.
- Cleaned and weed wacked around the pump houses. Vegetation was growing through the sidewalks and fence line obviously.
- Went and got readings for the water billing.
- Assisted office ladies as best as we could with explaining the billing process. We had information from Tanya we wrote down while learning how to do the billing. I believe it helped Donna a lot.

- Top soiled 5 Brentwood drive where we had curb stop replacement.
- Put new front brake pads on our f250.
- We jackhammered out busted old concrete in front of cold storage overhead doors and replaced with new. Turned out nice.
- Fixed water meter at 83 North main. The wire was broken and needed to be replaced.
- Did everyday duties to maintain the village water system.

Sewer:

- Pulled the old well pump out at the main pump station. Took a while for the new pump to get here. The new pump is in and works fine.
- Changed the battery in the generator at the main pump station.
- Assisted Luke Searles plumbing with trying to locate drainage pipes at the fire station. The fire station was plugged up.
- Flushed sewer main under the fire station with the flush truck.
- Pulled both pumps at North Fulton Street pump station. We are having trouble with residents flushing rags down the toilet again apparently.
- The power went out, so we went around and hooked up the generator to pump stations till the power was restored.
- Did everyday duties to maintain the village sewer system.

Subject: Request for Fee Waiver - Durkee Park Pavilion - August 9 2024

Good morning

Catholic Charities of Cortland County is planning an All-Staff training event on Friday August 9th 2024. We would like to reserve the Pavilion at Durkee Park in Homer for this. We would also like to inquire about requesting the reservation fee being waived, being that we are a nonprofit 501(c)3 organization. We are seeking to reserve the pavilion all day, starting at 8am.

Thank you so much for the consideration.
